

	<p>At People in Action we want to talk to all our members about what we are doing about the coronavirus Covid-19.</p>
	<p>At the moment we are doing what the government has told us, which is to carry on as normal. We know that the situation is changing all the time though, so we are trying to make sure that we are changing too.</p>
	<p>Some of our support workers might become ill, so we might have to make some changes to our services, if we don't have enough staff to support everyone.</p>
<p>support</p> 	<p>We might have to offer support first to people who:</p> <ul style="list-style-type: none"> • don't have any other support from family, or friends • live alone • don't have support from another organisation
	<p>This might mean that:</p> <ul style="list-style-type: none"> • we have to cancel some people's support at short notice • you might have a different support worker than usual • we might have to change the day or time of your support
<p>calm</p> 	<p>Hopefully there will be no changes, and we will try our hardest not to disrupt your service. Please be patient with us while we try to deal with this situation.</p> <p>We will keep in contact with you to let you know of any changes.</p>
